Sir:

This paper is in response to the Advisory Action mailed on December 9, 2003. Please enter all previously filed unentered amendments for the present application.

In the Advisory Action, the previously filed drawing correction was disapproved because in Fig. 1 link 13C is identified as 13D. Applicant respectfully asserts that link 13C and 13D are not shown or identified in Fig. 1. Moreover, links 13C and 13D are properly identified in Fig. 2. Accordingly, the disapproval of Fig. 1 is improper.

In view of the above remarks, Applicant respectfully requests approval of the previously filed proposed drawing changes. Moreover, upon entry of the previously filed unentered amendment, Applicant respectfully requests allowance of Claims 1-8. No additional fees for filing this response, other than the fees authorized in the enclosed RCE transmittal, are believed to be due. However, if such fees are due, the Commissioner is hereby authorized to charge them to deposit account no. 17-0055.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Daniel G. Radler", written over a horizontal line.
